

Telephone assistance programs available at Qwest® for Iowa customers

In order to make telephone service more affordable for low-income households, Qwest supports the federal government's Lifeline and the Link-Up telephone assistance programs.

What do these programs provide?

- LIFELINE provides eligible customers with a monthly credit of \$6.57 to help offset the cost of their home telephone line. In order to receive this credit, the telephone service must be billed to the individual applying for telephone assistance. Free Long Distance Restriction is also available, at the customer's request.
- LINK-UP provides eligible customers with a one-time credit of \$16.98 to help offset the installation charge associated with their home telephone line. Customers who qualify for Lifeline assistance will also be given the Link-Up credit if their application for telephone assistance is received within 60 days following the installation of their phone service and if they have not previously received a Link-Up credit at this address.
